

ERO-OVL Series

The ERO-OVL is a multi-purpose LED Channel luminaire with a large surface area that supports LED lighting sources up-to 40mm (1.57") wide.

This profile is a perfect match for multiple or oversized LED light sources.

It provides a wide range of options for indoor and outdoor use. Rich accessories offer application options like surface mount, pendant or adjustable bracket mounting with different End-Caps and Diffusers.

It is capable of housing slimline LED Drivers internally which provides a neat appearance.
